

# DJ Nes V

Crowd favourite and world-wide DJ, Nes V, has been honing his craft professionally Djing & performing across Australia, Columbia and the US since 2004. His vast experience, wide-ranging musical roots and broad scope of genres have proved invaluable in his ability to entertain crowds of all types and sizes, in all places.

Career highlights spanning from live televised Miss Universe musicalisations, to playing for events alongside companies like Diesel and Chevignon, and even being featured number 23 in DJ Mags top 100 Clubs poll.

With such a broad spectrum of music and instinct for entertainment, DJ Nes V is sure to get toes tapping and drinks flowing wherever he plays!
